

Let's Start an Allotment

Fem un hort

March is a good month to start an allotment

El març és un bon mes per començar un hort

Yay-ay-ay-ay-ay-ay-ay

Ai-ai-ai-ai-ai-ai-ai

Let's start an allotment, an allotment yeah

Fem un hort, un hort sí

Let's start an allotment, an allotment yeah

Fem un hort, un hort sí

Potatoes, cabbages, leeks

Patates, cols, porros

Onions, parsnips and broccoli

Cebes, xirivies i bròquil

You can use a spade to clear all the weeds

Pots fer servir una pala per treure totes les males herbes

Yay-ay-ay-ay-ay-ay-ay

Ai-ai-ai-ai-ai-ai-ai

Let's start an allotment, an allotment yeah

Fem un hort, un hort sí

Then you sow the seeds in the soil

Llavors, sembres les llavors a terra

And you watch them grow

I les veus créixer
