

Sant Jordi

Once upon a time
A dragon killed the sheep in a town at night time
The king promised him a person if he'd go
But the princess was chosen, oh no

The dragon came back
But a knight killed the dragon with one attack
From the blood a red rose grew
The princess married the knight - woohoo

There's a springtime aroma in Barcelona
Walk down La Rambla and film it on camera
It's all so amazing, it's Sant Jordi
