

## Let's Start an Allotment

March is a good month to start an allotment

Yay-ay-ay-ay-ay-ay-ay-ay

Let's start an allotment, an allotment yeah

Let's start an allotment, an allotment yeah

Potatoes, cabbages, leeks

Onions, parsnips and broccoli

You can use a spade to clear all the weeds

Yay-ay-ay-ay-ay-ay-ay-ay

Let's start an allotment, an allotment yeah

Let's start an allotment, an allotment yeah

Potatoes, cabbages, leeks

Onions, parsnips and broccoli

Then you sow the seeds in the soil

And you watch them grow

Then you sow the seeds in the soil

And you watch them grow

Let's start an allotment, an allotment yeah

Let's start an allotment, an allotment yeah

Potatoes, cabbages, leeks
